

AUSTIN IS READY
when you are

FOUNDING IA

- Angelos Angelou is IA founder
- Austin's rise into a global tech hub
- Difficulties for foreign founders in the US
- Paving the way to Austin for non-US citizen entrepreneurs

WHY AUSTIN?

- Bevy of talent through the University of Texas
- Austin City Limits, SXSW, UT Football, F1-Circuit Of The Americas
- Ranked #1 for:
 - Best cities in the next decade
 - Strong tech sector, booming entrepreneurial city
 - Fastest growing city in the U.S.and many more...

CHALLENGES

of founding in the U.S.

- Who to trust & listen to
- Legal: Visa + setting up a legal entity
- Housing & Transportation
- Understanding U.S. Business & Capital market
- Finding funding, experts, and talent
- Networking

BUILDING MORE than a product

- Business Partners & Investors
- Assimilation to U.S.
- Office space
- Mentoring & Networking
- Product Design & Development
- Legal & Marketing services
- Growth!
(M&A/IPO, series A funding)

OUR PROGRAM

- Rolling admission, 6+6 month duration
- \$50,000+ seed money & more in in-kind services
- Personalized assistance from the visa process and founding in the US, all the way to Series A
- American look & feel
and ability to attract investors worldwide
- World class mentorship
from people who have been in your shoes

REQUIREMENTS

- Exceptional non-US citizen founder team
- One founder willing to move to the U.S. for a year
- Public beta product, some customer/market validation will help
- Fundraising process has started locally
- Product addresses large market and is scalable
